LUXURY LODGES
WALES

Welcome to Luxury Lodge Wales

Colin and Mandy's vision for Luxury Lodges Wales started in 2007 with the intention of creating something different, somewhere beyond five-star – In short, a truly special place to escape and enjoy everything their incredible park has to offer.

As a family run business that's lived and worked in the area for many generations, owners can expect a personal and welcoming experience throughout the 12-month holiday season.

Your Country Hideaway

The park was developed with a perfect luxury second home in mind. Each plot is spacious with a generously sized garden area for you to create your own slice of seclusion. There is a gated entrance that provides privacy for owners and an electric car charging point to use at your own leisure.

Colin & Mandy strongly believe in creating a luxury and environmentally friendly experience, with renewable energy used throughout the park which has resulted in the park receiving awards in previous years for green tourism.

The most striking feature of Luxury Lodges Wales is the dramatic views of the Cambrian mountains and incredible Welsh landscapes. Couple the idyllic location with the luxury Aspire Vienna lodge, and you're spoiled by opulence from the moment you arrive at your home from home.

We're in the foothills of the Cambrian Mountains, close to the amazing Welsh coast and Snowdonia National Park, just a stone's throw from the border with Shropshire and England and the famous Offa's Dyke and its namesake national walking trail.

Each holiday home hosts spectacular views over the Trannon Valley, and with only 9 plots available, you can benefit from a truly exclusive luxury experience. Ownership at Luxury Lodges Wales offers so many benefits, all year round.
